

# Photograph Usage Permission Form

St. Michael Cross Country, Fall 2019 Season

During the cross country season, photographs of the children at meets or practices may be posted on the website for St. Michael Cross Country and Track, submitted to the Independent or other newspapers for publication, or used in promotional materials for the team (flyers, etc.). Pictures in the newspaper or on the website will typically have the child's name included; otherwise, there will be no name associated with the picture. Please indicate below if you are willing to have your child(ren)'s picture used in this manner. This will not affect the posting of photos on Shutterfly since that is a closed site. For any other usage, parental permission will be requested before the photographs are used.

I, the parent or guardian of the children listed below
